

Mrs. Callahan's Classroom Rules & Expectations

BE RESPECTFUL

BE RESPONSIBLE

BE READY

1. Come to class ready to participate and learn!
2. Be in your seat before the bell rings.
3. Listen to and respect others opinions.
4. Respect the teacher and your classmates.
5. Treat others the way you would like to be treated.
6. Follow all safety and clean up procedures during a lab.
7. You are not allowed in the kitchen unless it is time for lab or I have asked the class to go to the kitchen. You may NOT grab any dishes/food without asking my permission (grabbing a glass for water).
8. Only one person at a time will be allowed to leave the room at a time and you need to ask permission before leaving the room.
 - * If you MUST use the restroom, you will be allowed to during individual work time. You are expected to use the restroom/get a drink before coming to class.
9. No put-downs/swearing/negative language will be tolerated! If so, you will be sent to the office for such behavior.
10. Come prepared! ALWAYS bring a writing utensil and paper to class.
 - * You will not be allowed to go to your locker because you should have all of your materials with you. Borrow from a neighbor if you don't have something.
11. ALWAYS have your work done on time before class!
12. Chewing gum is okay, but no food (other than lab foods) such as candy or pop is allowed unless it has already been cleared by the teacher in advance!
13. You are in the Family and Consumer Sciences classroom. Please do not work on homework for other classes. When you are done with an assignment for my class, you may then work on other assignments if you have them.
14. Please do your own work! No cheating or copying on daily work, tests, and projects/activities is allowed. You will receive a "0" for the assignment, and will NOT be allowed to turn it in again. Please ask if you need help, I am always here and want you to succeed.
15. Be respectful of substitute teachers. If I get bad reports, I can double any punishment that the substitute may have given you.
